

WAXPOOL GENERAL STORE AND POST OFFICE

Stand behind the counter of an early 20th century general store while your customers (your classmates!) make purchases of fruits and vegetables, fabric, and other supplies needed by rural Virginians 100 years ago.

Through hands-on activities like writing up sales, weighing coffee, and making change, we will address the following Mathematics SOLs K.7, K.10, K.12, K. 16, 1.4, 1.8, 1.9, 1.13, 1.14, 2.6, 2.7, 2.9, 2.11, 2.15, 3.8, 3.10, 3.13, 3.14, 4.5, 4.7, 4.8, 4.11, 5.3, 5.4, 5.11.

By learning about where the shopkeeper purchased inventory, and what role the general store played in the community, we will address the following History and Social Science SOLs: K.3, K.6, 1.1, 1.7, 1.9, 1.10, 1.11, 1.12, 2.2, 2.6, 2.7, 3.6, 3.7, 3.10, 4.2, 4.7
